Subject: ACTION: Review of Talking Points for Monday's Supervisor Realignment Discussions
Attachments: Supervisor Realignment Talking Points.9 21 2018.(v3).docx

Good morning,

Attached is version 3 of the draft Supervisor Realignment Talking Points. Darcy provided suggested edits on Friday afternoon and I've incorporated those - with a few modifications - into this draft. There's an open questions for Rick and Josh in the comments that needs to be resolved prior to the discussions: whether we can keep the 5 displaced managers in the immediate offices of Divisions in the package we send to HQ on 10/5.

*I've added Sandy since she'll be having Supervisor Realignment discussions on Monday and we need her to provide info on the duties of the Superfund Technical Planning and Financial Branch Chief.

Thanks,
Suzanne
